## **Six Amendments How And Why**

The six changes Justice Stevens would make are (1) enable the federal government to require state officers to enforce federal law (currently, although the constitution says that federal law is "the supreme law of the land" over state law, the supreme court has interpreted this to mean only that state judges have to follow federal law, but not that other state officers are required to enforce federal law), (2) give political gerrymandering the same scrutiny unde

He would authorize Congress to regulate spending on campaigns. By equating political money with free speech as a constitutional right, the Court has been striking down congressional limits on spending by candidates and their supporters. This amendment would return to Congress the power to deal effectively with campaign finance.
