Targeting Social Skills Remotely | Socially Skilled Kids

Kids will roll a dice and work through a game board, picking up a situation card for each spot they land on. My favorite part is that kids will also act out scenarios which can help them to generalize the social skills over time. 2. Team Pictionary. Why It's Important: Teamwork is a critical skill for all ages. This is a skill kids and young adults use throughout the school day, but also outside of school, whether it is during a sports game or playing a game with friends at home.
