**Social Work Practicum The A**  
In the new edition of Cynthia Garthwait's The Social Work Practicum, theory and practice combine to offer a unique format for understanding, structuring, implementing, and evaluating practicum experience at both the BSW and MSW levels. This book provides a structured and yet individualized map for gaining the competencies required of social work professionals.

**Social Work Practicum, The: A Guide and Workbook for ...**  
The social work practicum is likely to be required for any senior BSW student, so there's no getting out of buying it. However, I have not found it particularly stimulating; the chapters are short, which is nice, but it is more informative about the internship process than educational on how to practice social work.

**The Social Work Practicum: A Guide and Workbook for ...**  
It includes well-developed tools and techniques that focus the student's learning in a range of critical arenas leading to the development of competent and confident social work professionals. GUIDE TO THE SOCIAL WORK PRACTICUM can be used as a self-study guide for students in distance education programs or distant field placements; as a textbook in a practicum seminar; or by students and practicum instructors as a manual that supports maximizing the learning value from the supervisory ...

**GARTHWAIT, Social Work Practicum, The: A Guide and ...**  
Doing a social work practicum is an important part of getting your Master of Social Work (MSW). Some states require that you have an MSW before working as a licensed social worker or that you finish your degree soon after becoming a social worker. The practicum that you do is a type of fieldwork component that provides you with practical knowledge and experience as you work with real clients.

**5 Tips for Finding a Social Work Practicum - Social Work ...**  
Practicum field education, or "practicum," is an integral part of the social work curriculum. Practicum involves being placed in an agency where students engage in social work activities under supervision. Engaging in actual social work activity is an excellent method to develop social work skills and identify areas of interest.

**Practicum - College of Social Work - The University of Utah**  
Field work is an essential part of social work training. Field Instructors (supervisors) are responsible for overseeing the practical application of classroom learning in a clinical setting. For many interns, it is their first experience working directly with clients.

**Success in Social Work Field Practicum | Successful Social ...**  
Field Practicum is a requirement by the Council on Social Work Education for accredited programs. It is considered the "signature pedagogy of social work education" and fits into UHD's BSW Program's aim to offer students the fullest opportunity to develop as professional social workers.

**Social Work Program Field Practicum Handbook Revised 2018**  
The Field Supervisor will have an MSW or BSW degree from an accredited program, a current social work license, and a commitment to direct the learning of a student (when the Fieldwork Instructor is not a professional social worker, she/he will work closely with the Field Coordinator to ensure a social work practice perspective);

**Field Practicum Responsibilities - Social Work and Family ...**  
Practicum involves direct practice in social work agencies and other settings in which students are exposed to situations that call for their active engagement in a helping role. Students are also expected to carry a reduced workload, subject to close supervision by the agency.

**Practicum | Social Work, University of Regina**  
The Purpose of a Practicum? The social work practicum is a unique opportunity to learn. You are being offered the chance to prepare for professional social work practice by integrating your classroom knowledge and skills into a real social work setting with real clients. Your experience will be enhanced if you are aware of how you learn.

**The Purpose of a Practicum - Pearson Education**  
The practicum experience is structured as a continuum of learning and provides students with an opportunity to gain experience in a social work setting, receive regular professional supervision, and engage in a dynamic process towards development as a beginning professional generalist practitioner.
