Someone To Love Jude Deveraux

Jude Deveraux is one of my "must read" authors, in that whenever I see a new paperback with her name on it I pick it up. I may have to rethink that after this last one. I don't expect great literary backflips, but I do expect a fun, engaging romance novel with characters that I care about and an interesting story.

Not Jude Deveraux's best I am sorry to say it was just a mediocre book. I have always thought a mediocre audio book could have been upgraded to a better book with a different narrator. That narrator is as good as 'selling' the book. "Someone in love" did not suit Stafford Clark-Price. I didn't hate the book but neither did I love it.
