This book bundle is 6 books each showcasing one of the 6 wolf shifters and their story of frustration, forbidden love and success. Although I had already read the first 4 books in this bundle I bought it so that I would have the 2 remaining books in the series. I really enjoyed rereading the stories to refresh my memory and the two additional books.

Forbidden Hollywood is a history of "pre-Code" like none other: you will eavesdrop on production conferences, read nervous telegrams from executives to censors, and hear Americans argue about "immoral" movies. You will see decisions artfully wrought, so as to fool some of the people long enough to get films into theaters.
