substantially rewritten and updated edition of his most celebrated book. No other work has made a more powerful case for the probability of the existence of God.

The Existence of God by Richard Swinburne

Essentially, Swinburne examines the probability of God's existence; he does not press for proofs of God's existence that would compel belief.

The Existence of God by Swinburne, Richard [Oxford ...

The most general phenomenon that provides evidence for the existence of God is the existence of the physical universe for as long as it has existed (whether a finite time or, if it has no beginning, an infinite time). This is something evidently inexplicable by science.

Read Book Swinburne The Existence Of God

Swinburne's argument for the existence of God. Richard Swinburne developed an argument that argued for the existence of God through religious experience as he argued 'on our total evidence, theism is more probable than not'. However he doesn't completely base his proof for god on religious experience but takes an accumulative approach as he also a number of other approaches such as the design argument and cosmological argument etc.

Swinburne's argument for the existence of God - Free ...

Swinburne posits the existence of God as a "brute fact" that simply does not have an explanation. Take it or leave it! It's his hypothesis and he can frame it any way he pleases. God is a person (and only one person), and as a person he has intentions, beliefs, and basic powers (p. 97).

(1981).

Swinburne's argument from religious experience - Conservapedia

Abstract This book is a short and non-technical presentation of the cumulative argument for the existence of God.

Is There a God? - Oxford Scholarship

In other words, Swinburne does not make extravagant claims that he has proved the existence of God but he does claim that he has shown God's existence to be more probable than not. In that case, perhaps we should all be studying some of the "religious experiences" claimed by some people with a view to making up our own minds.
