Awesome read. This
series keeps getting
better with each book
and the only downside
is the month or two
wait between books,
which is much better
than a lot of other

Non spoiler review.
Tamer always pleases.
From riding dinosaurs,
to brutal Dino on Dino
on combat, to fighting
with simple yet
effective prehistoric
weapons versus
survivors that have a
variety of super
powers, the action,
setting, characters,
even dinosaur pets,
every single aspect of
this book is fantastic.
