The World represents the end of this journey, while also hinting at the cycle that is yet to come. This is one of the deepest aspects of the wisdom that the Tarot holds: life is an endless circle, a chance to learn and grow through experience. As long as we inhabit bodies on the Earth plane, there will be lessons to discover and conquer.

I thought "Oh yeah, Tarot and the Hero's Journey - we'll get some simple take on the Fool at the start and then the way the cards progress and whatever, whatever, nothing we didn't know before." (I guess this says more about me and my cynicism than anything else) But what I got was a fairly profound Jungian analysis of the journey of life.

### Tarot and the Journey of the Hero by Hajo Banzhaf

The Fool's Journey is a metaphor for the journey through life. Each major arcana card stands for a stage on that journey - an experience that a person must incorporate to realize his wholeness. These 22 descriptions are based on the keywords for each major arcana card. The keywords are highlighted in the text. A card's number is in parentheses ...
