Engineering Projects India Limited Latest Online Tenders ...

A tender can be described as an offer to perform some task or supply goods at a fixed price. In the initial step of this tendering process, the contractors are invited to submit sealed bids for construction or for the supply of specific and specifically designed services or goods during a specific timeframe. The e-tendering process in India is designed to ensure that the work to be done for the government or a particular client is done in a fair way.
