### Introduction to the Art of Bonsai - Bonsai Boy Catalog

Bonsai is a Japanese art form which utilizes cultivation techniques to produce, in containers, small trees that mimic the shape and scale of full size trees. Similar practices exist in other cultures, including the Chinese tradition of penzai or penjing from which the art originated, and the miniature living landscapes of Vietnamese Hòn non bệ. The Japanese tradition dates back over a thousand years. The Japanese loanword "bonsai" has become an umbrella term in English, attached to many ...
