The Ascent Of Humanity An

The Ascent of Humanity is about the history and future of civilization from a unique perspective: the evolution of the human sense of self. This book describes how all the expressions of our civilization—its miraculous technology as well as the pillage of earth, culture, goodness, and beauty—arise from our identity, our way of being, “the discrete and separate self”.

The Ascent of Humanity | Charles Eisenstein

Our darkest hour bears the possibility of a more beautiful world—not through the extension of millennia-old methods of management and control but by fundamentally reimagining ourselves and our systems. Breathtaking in its scope and intelligence, The Ascent of Humanity is a remarkable book showing what it truly means to be human.
