The Bridge at Andau is a 1957 nonfiction book by the American author James Michener chronicling the Hungarian Revolution of 1956. Living in Austria in the 1950s, Michener was at the border of Austria and Hungary during the period in which a significant wave of refugees fled Hungary. The book is one of Michener's journalistic works and much shorter than the episodic novels that he wrote over the next thirty years. While the book is of a historical event based upon interviews with eyewitnesses, th
