The British experience, 1945-75 (Book, 1979) [WorldCat.org]

Concise and accessible, this guide provides an overview of the process of British decolonisation. Dr White synthesises recent historical debate by looking at the demise of British imperial power from three main perspectives: the shifting emphases of British imperial policy; the rise of populist, colonial nationalism, and the international political, strategic, and economic environment dominated ...

Decolonisation: The British Experience since 1945 ...

This updated Seminar Study provides an overview of the process of British decolonisation. The eclipse of the British Empire has been one of the central features of post-war international history. At the end of the Second World War the empire still spanned the globe and yet by the mid-1960s most of Britain's major dependencies had achieved independence. Concisely and accessibly, the book ...

Decolonisation: The British Experience Since 1945 by ...

The British Experience, 1854-1945. Author: Brian Burke-Gaffney. Long overdue, this important first full length account in English of the history of Japan's first foreign settlement, which for centuries was the country's only "front door" to the outside world, will be widely welcomed. Following the opening of Japan's ports in 1859 ...
