LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Emotional Journey Of The

The emotional journey is an extension of the usual experience journey map (or customer journey map) that associates an indication of the emotional status of the user at each stage of the experience. The emotion can be represented by a curve floating from moments of frustration to delight, or by adding emojis and pictograms to the specific steps of the journey.
