Over time, David's name disappeared from the history books and the Beach Boys' story was rewritten, without David's name. For many years, the public and critics were unaware of the important role David Marks played in the formation of the Beach Boys. For the first time, the truth is behind one of the most influential bands ever is revealed here.

...

All in all, "The Lost Beach Boy" was and still is an important addition to what we know about this highly influential rock group. It is quite obvious from his books that author Jon Stebbins has a good deal of information about Brian and Carl Wilson; and a full consideration of Carl's life and career, in particular, is very much needed.

The Lost "Beach Boy": Stebbins, Jon, Marks, David ...

In his candid new book, *The Lost Beach Boy*, co-written with Beach Boys authority Jon Stebbins, Marks finally tells his story. It shatters the mythology surrounding his role in the band, and offers a wealth of fascinating insight into the group's formative years. You lived across the street from the Wilsons in Hawthorne, California.
