At 19 years old, wheelchair-bound Jordan
Rubin was near death, diagnosed with a
severe case of Crohn's disease. His story
about how he healed himself by eating
only foods eaten in biblical times is the
basis for the Maker's Diet, a 40-day
experience that Ruben says will change
your life.

The Maker's Diet Side Effects. So does the organic diet and lifestyle have any potential side effects? According to experts, the biggest side effect you'll experience is a steady decrease in funds from your bank account, FoxNews says. According to TheBalance, there have been polls recently suggesting that most people in the US think organic foods just aren't worth the price.
