The Museum Experience Revisited

“ The Museum Experience Revisited will be as powerful a tool for all museums and science centre professionals for the next twenty years as The Museum Experience has been since 1992. It has the fragrance of wisdom and the texture of common sense. I cannot see how anyone in the museum field could possibly survive without reading it.”

The Museum Experience Revisited: Falk, John H ...

Falk and Dierking have updated this essential reference, incorporating advances in research, theory, and practice in the museum field over the last twenty years. Written in The first book to take a "visitor's eye view" of the museum visit when it was first published in 1992, The Museum Experience revolutionized the way museum professionals understand their constituents.

21st Century Museum Issues Lecture Series: The Museum Experience Revisited

experience - research on individuals whose life-course intersects with the museum experience prior to as well as after the visit. The reductionist ways in which museum visitors have typically been studied, beginning with a focus on 'who' visits the museum, have long prevented us from truly understanding the museum visitor experience.
