Nuremberg firmly established the principle of individual responsibility for crimes committed even during time of war. While the first, it was, by no means, the "final" solution to crimes against peace or humanity. The Nuremberg Interviews explains the motivations of the men most directly responsible for

"The Nuremberg Interviews reveals the chilling innermost thoughts of the former Nazi officials under indictment at the famous postwar trial. The architects of one of history's greatest atrocities speak out about their lives, their careers in the Nazi Party, and their views on the Holocaust. Their reflections are recorded in a set of interviews conducted by a
