1. Sculpt your core. When you want to get rid of that muffin top, work to build core muscles, which burn more calories than fatty tissues, and, as a result, raise metabolism. By toning the muscles in the back, chest, and abdomen you'll burn more fat so less is deposited around the waist. Target your tummy with the Muffin Top Meltaway 200 workout.

Muffin Top Makeover - 9 Tips to Whittle Your Waist

Pescetarian "Get Moving" Plan Whether you love to work out, hate exercise, or are somewhere in between, you can follow this plan. That's because you start at your current level (even if you're sedentary) and gradually increase minutes and intensity.
