Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across platforms and devices.

### The Pinch How The Baby

"We all know the story," starts David Willetts in his book The Pinch. "The parents return home from a night away to find a teenage party has got out of hand and the house has been trashed... It plays to a deep-seated fear that younger people will not appreciate and protect what has been achieved by the older generation.

### The Pinch: How the Baby Boomers Took Their Children's ...

The Pinch sets out to show how the baby boomers - those, like Willetts, who were born between 1945 and 1965 - have "stolen their children's future" through their cultural, demographic and political...

### The Pinch: How the Baby Boomers Stole Their Children's ...

The Pinch is sold as an examination of how the baby boomers managed to grab the best of everything - money, sex, houses, guilt-free carbon consumption, jobs - and whether they can be persuaded, or compelled, to hand back some of those resources. (It may be a little late for the sex.) Willetts's point is that the baby boomers, born in the 20 years from 1945, are not necessarily any more selfish than any generation before or after them.

### The Pinch: How the Baby Boomers Took their Children's ...

In fact, the birth-rate during the baby-peak stayed at least at the 1946/7 baby-spike rate for about 10 years, and arguably (make your own choice from figure 1.13) the baby-peak lasted from about 1959 to 1971 or much longer.

## **The Pinch: How the Baby Boomers Took Their Children's ...**

In this original and provocative book, David Willetts shows how the baby boomer generation has attained this position at the expense of their children. Social, cultural and economic provision has been made for the reigning section of society, whilst the needs of the next generation have taken a back seat.

Give the baby two rescue breaths. If you have one, put a face shield on the baby to prevent the exchange of bodily fluids. Pinch the nose shut, tilt the head back, push up the chin, and give two breaths, each lasting about one second. Exhale gently until the chest rises; exhaling too forcefully can cause injury.
