The Professor in the Cage by Gottschall, Jonathan (ebook)

In 'The Professor,' embattled Johnny Depp takes on a terminally-ill professor who disparages everyone in his home and work orbit. It's an oddly appropriate, if melodramatic, fit for the actor.

'The Professor' review: Johnny Depp churns out hammy swan song

In *The Professor in the Cage*, Gottschall's unlikely journey from the college classroom to the fighting cage drives an important new investigation into the science and history of violence. The surging popularity of MMA—a full-contact sport in which fighters punch, choke, and kick each other into submission—is just one example of our species' insatiable interest both in violence and in the rituals that keep violence in check.
