The Rational Optimist

The Rational Optimist will do for economics what Genome did for genomics and will show that the answer to our problems, imagined or real, is to keep on doing what we've been doing for 10,000 years -- to keep on changing. Buy The Rational Optimist: How Prosperity Evolves. You can also buy it from my favourite bookshop Aldeburgh Bookshop

Rational Optimist Book | Matt Ridley

The Rational Optimist is a 2010 popular science book by Matt Ridley, author of The Red Queen: Sex and the Evolution of Human Nature. The book primarily focuses on the benefits of the innate human tendency to trade goods and services. Ridley argues that this trait, together with the specialization linked to it, is the source of modern human civilization, and that, as people increasingly ...

The Rational Optimist - Wikipedia

The Rational Optimist is definitely one of those books. Personally, I think this may be one of the most important books of the last 10 years. In many ways I am an optimist, but when it comes to the bigger picture of the world I would have to admit I have been a pessimist for some time.

The Rational Optimist: How Prosperity Evolves by Matt Ridley

In 'The Rational Optimist', acclaimed science writer Matt Ridley comprehensively refutes the doom-mongers of our time, and reaches back into the past to give a rational explanation for why we can - and will - overcome the challenges of the future, such as climate change and the population boom.

Buy The Rational Optimist Book Online at Low Prices in ...

The Rational Optimist addresses the major problems that have faced human beings since the dawn of civilization, and describes how methods of exchange and specialization created innovative solutions to deal with each new obstacle. Through science, economics and historical examples, the author reveals many reasons to be optimistic about the adversities we are facing today or might encounter in ...
