Behold the *Revenge of Analog*. Sax has found story after story of entrepreneurs, small business owners, and even big corporations who've found a market selling not apps but real, tangible things. As e-books are supposedly remaking reading, independent bookstores have sprouted up across the country.

The Revenge of Analog: Real Things and Why They Matter by ...

— Michiko Kakutani “David Sax’s thesis in his new book, *The Revenge of Analog* —and it’s a beguiling one—is that these islands are growing larger and more numerous. He brings us tales of these analog refuges, crankily safe from the instantaneous and universal. Places where we can relax, and maybe even think, as opposed to click.

The Revenge of Analog - David Sax

The *Revenge of Analog* represented a resurgent and reimagined value for nondigital goods, services, and ideas, precisely when the transition from analog to digital was supposed to be total. But as digital technology assumed an increasingly large role in our lives, it almost seemed as if an alternative, postdigital economy was emerging as well.

The Revenge of Analog: Real Things and Why They Matter by ...

“The choice we face isn’t between digital and analog,” Mr. Sax asserts. “That simplistic duality is actually the language that digital has conditioned us to: a false binary choice between ...

‘The Revenge of Analog’: See It. Feel It. Touch It. (Don’t ...

"Hang on digital mavens, the real world ain't going anywhere. In *The Revenge of Analog*, David Sax shows the continued importance of the physical stuff to how we live and work today."— Richard Florida, author of *Rise of the Creative Class* "We all thought the digital age would be the end of analog media--and we were wrong.

The Revenge of Analog: Real Things and Why They Matter ...

Here are a few other areas where the world of real things is showing renewed life. The poster child of analog’s recent revenge is also its most improbable. Since its peak as a format for recorded music in the late 1970s, the vinyl record’s dominance quickly declined, thanks to increasingly more convenient and economically viable technologies (tapes, CDs, MP3s) that replaced it.

The revenge of the real - Columbia Journalism Review

Today, when companies such as Facebook and Google are increasingly under fire from across the political spectrum, David Sax's *The Revenge of Analog* reminds us of one possible response—not attack (although I am personally all for attacking such companies), but a return to the active use of pre-digital things.

The Revenge of Analog: Real Things and Why They Matter ...

In fact, businesses that once looked outdated are now springing with new life. Behold the *Revenge of Analog*. Sax has found story after story of entrepreneurs, small business owners, and even big corporations who've found a market selling not apps but real, tangible things.

The Revenge of Analog: Real Things and Why They Matter ...

One of the best things about writing *The Revenge of Analog: Real Things and Why They Matter* is it was basically one big, tax-deductible excuse to acquire some very cool things. After all, if I didn't practice the analog gospel I preached, what kind of evangelist for the benefits and pleasures of a tactile world of objects and ideas would I be?
