It discusses the evolution of public policy in the context of contemporary understandings, of economic change; and analyses litigation, arbitration, social welfare, criminal justice, moral regulation and parochial analyses administration as manifestations of the increasing role of the state in early modern England.

The State and Social Change in Early Modern England, 1550 ...

Social change - Social change - Explanations of social change: One way of explaining social change is to show causal connections between two or more processes. This may take the form of determinism or reductionism, both of which tend to explain social change by reducing it to one supposed autonomous and all-determining causal process. A more cautious assumption is that one process has relative ...

Social change - Explanations of social change | Britannica
