Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Street Of Wonderful Possibilities

A beautifully illustrated art history and cultural biography, The Street of Wonderful Possibilities focuses on one of the most influential artistic quarters in the late nineteenth and early twentieth centuries - London's Tite Street, where a staggering amount of talent thrived between the 1870s and 1930s, including James Abbott McNeill Whistler, Oscar Wilde and John Singer Sargent. It provides a new, fresh perspective on legendary figures in British art and literature and explores the ...

The Street of Wonderful Possibilities by Devon Cox review ...

'This exceptionally handsome and well-illustrated book - a biography of the street, its residents and their connections - elucidates some of those possibilities. And pretty wonderful they are too.' A well-informed, nicely produced and generously illustrated book about Title Street in merrier, cheaper times, when it could claim to be the epicentre of art in England."

Street of Wonderful Possibilities. (Book, 2015) [WorldCat.org]

Devon Cox

In time it became the centre of the artistic avant-garde in Britain, for Whistler the birthplace of art, for Wilde a street of wonderful possibilities. It even included a private theatre. Here the aesthetic movement flourished. Artists, writers, socialites, suffragettes, society people, musicians, gathered in this street, changing the face of art.
