Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

Thelma And Louise Something To

When *Thelma & Louise* opened in 1991, it was greeted with acclaim and controversy, quickly earning first-time screenwriter Callie Khouri a reputation as one of the only writers of real movie roles for women. She lived up to expectations with *Something to Talk About*, which won praise for its originality and authenticity.

Thelma and Louise and Something to Talk About (Screenplays ...

Thelma and Louise is a great example of bog-standard screenplay structure. Still, being able to follow the standard well takes a certain degree of talent. The character depth leaves something to be desired, however, even for the leads. Most of the male figures are simply a joke, Slocombe being a notable exception.
