It is the work of the early learning educators to design the classroom and their program to facilitate the best learning opportunities for their students. The new ETFO resource, Thinking It Through: Teaching and Learning in the Kindergarten Classroom 2010 will help them accomplish this goal. It is a single book that addresses the whole kindergarten program.

#### Thinking It Through | ETFO Voice

The resource also promotes the teaching of critical thinking and advocacy skills. As well, it allows students to see themselves and their stories reflected in the curriculum. Five separate documents make up the kit: one each for Primary, Junior, and Intermediate grades; a Teacher Resource Guide; and a copy of the ETFO resource, More

#### ETFO Play

Another important part that stood out the most for me was the accountability. We are constantly defending the play-based learning approach to parents, the public and what better way to display learning through prompts, pictures, and questioning. Display student work with their dialogue, questioning.
