Book Review - Time  
Riders, City of Shadows  
by Alex Scarrow 4/5

This is the sixth book in  
the Time Riders series.

I have to admit I was  
beginning to tire of this  
series the last two or  
three books repeated  
teasers from the older  
books but didn't take

This book is the first to carry on directly from the last, and the plot is very, very clever. We learn something that honestly changes EVERYTHING! We only meet the "City of Shadows" in the last 150-100 pages; before that, Scarrow completely goes against the standard plot and takes us on an adventure, like no other we've seen beforehand.

It stank! I tried to read it a second time to prepare myself for City of Shadows, and I couldn't even read it half through. My point is, this book, book number six, makes up for that. There's so much story plot revealed, and some twists and turns that I never expected. Books one through three were the Time Riders trying
