Amazon.com: Trend Following, 5th Edition: How to Make a ...

"The way I see it, you have two choices—you can do what I did and work for 30-plus years, cobbling together scraps of information, seeking to create a money-making strategy, or you can spend a few days reading Covel's [Trend Following] and skip that three-decade learning curve."

Become a trend follower by following these simple steps.

The big money of letting profits run: Trend following at its best aims to compound absolute returns. It doesn't shoot for average. The goal is to make the knock your socks off returns, not passbook savings interest. Trend following also has the unique ability to lie and wait for targets of opportunity.

Trend Following Theory by Michael Covel

As a trend follower, you should know that you only make money when there's a trend. So to expose your trading system to more trending opportunities, you have to trade more markets. You should be in every sector of the markets like indices, bonds, currencies, energy, metals, agriculture, interest rates, and meats.

How To Build A Trend Following Trading System

Beginners to seasoned pros learn how to make above average profits with clear and complete trend following trading systems: 1. Add to winners only. 2. Never add to a loser. 3. Let profits run. 4. Cut losses fast. 5. Don't try to pick tops. 6. Don't try to pick bottoms. 7. Market prices make decisions, not ego or fundamentals. 8. Frequently ...
