Trend Following is a must have book for every trader who is committed to their success in the markets. I picked up the third edition (2009) which I highly recommend because it talks about the 2008 crash from the trend following perspective. Here are the chapters that impacted me the most and why: Chapter 2: Great Trend Followers.

Trend following - Wikipedia

The updated version of Trend Following is an excellent addition to your trading library. The interviews at the end of the book alone are well worth the purchase. The concepts are becoming more clear to me, however this book is still more of a philosophy of trend following than a how-to book. I highly recommend it.
