A Conversation About Truth and Beauty — Werschler ...

If beauty exists, then aesthetic realism is true. Beauty is truth, truth beauty, wrote Keats. Some aspects of beauty have a measurable component, but this is not what makes it objective. The truth is what is the case whether perceived or not; whether known or not. Truth and reality are not a democracy that we vote on.

Truth & Beauty - Data visualization by Moritz Stefaner

The appreciation of beauty is universal. There was a time in history when beauty was regarded as the highest evidence of a fundamental truth. If something was sensually pleasing, it was understood to display an intrinsic quality expressed outwardly. Think of a lovely peach fresh off the tree (Figure 1.1).
