Truth Commissions And Procedural Fairness

This is the first law book devoted entirely to the subject of truth commissions. The book sets forth standards of procedural fairness aimed at protecting the rights of those who come into contact with truth commissions - primarily victims and their families, witnesses, and perpetrators.

Truth Commissions and Procedural Fairness: Freeman, Mark ...

The aim of the book is to provide recommended criteria of procedural fairness for five possible components of a truth commission's mandate: the taking of statements, the use of subpoenas, the exercise of powers of search and seizure, the holding of victim-centered public hearings, and the publication of findings of individual responsibility in a final report (sometimes called the issue of 'naming names').

Truth Commissions and Procedural Fairness | Mark Freeman ...

Truth Commissions are commonly considered, either as an alternative or supplement to criminal prosecutions. Even if they do not overcome impunity, truth commissions win hands down over private or public vengeance—with no procedural safeguards. And we should remember, as does Freeman, that amnesia often is a politically-appealing alternative.

TRUTH COMMISSIONS AND PROCEDURAL FAIRNESS

This book by Mark Freeman outlines criteria of procedural fairness for the operation of truth commissions, with particular reference to five components of their work: the taking of statements; the use of subpoena powers; the use of powers of search and seizure; the holding of public hearings; and the publication of findings of individual responsibility in a final report.
