31 yarn paintings by renowned shaman-artist José Benítez Sánchez. His yarn paintings were inspired by ancestral histories and religious motifs that live on through generations.

### **Ancestral Visions: Yarn Paintings of a Huichol Shaman ...**

As a shaman, he is obliged to perpetuate them through sacred ceremonies and in his artwork, where he translates his peyote-induced visions into a two-dimensional art form. These fleeting visions are of the Huichol world as it came into creation in a mystical natural environment that has no boundaries between the present and the ancestral past.

### **Mythic Visions - Penn Museum**

Huichol yarn paintings are justly famous in the world of anthropology and visionary art, expressing as they do the shamanic realities of peyote visions, and the sacred pilgrimages and myth cycles of the Huichol people.

ican Huichol tribe has the same focus. In ancient times, the primordial First Shaman carved the prototype shaman's drum from a tree trunk and fitted it with the skin of the divine deer (Furst, 1977, p.11). So, the white shaman was connected with the deer-defender, who was incar-nated in his tambourine, and periodically
