The visual arts are art forms that create works that are primarily visual in nature, such as ceramics, drawing, painting, sculpture, printmaking, design, crafts, photography, video, film making and architecture. These definitions should not be taken too strictly as many artistic disciplines (performing arts, conceptual art, textile arts) involve aspects of the visual arts as

What is visual art? - Unbound Visual Arts

Some take things a bit further and turn to very obscure art forms or even end up creating their own. These artists' work can either make us go, "Wow!" or cringe in disgust. Some artists take to painting with unconventional paints made from their own feces or semen. Others turn their own genitalia into brushes.

Humanism - Humanism - Humanism and the visual arts: Humanistic themes and techniques were woven deeply into the development of Italian Renaissance art. Conversely, the general theme of "art" was prominent in humanistic discourse. The mutually enriching character of the two disciplines is evident in a variety of areas. Humanists paid conscious tribute to realistic techniques in art that had ...
