In times past, when rebuilding the 01M or 01P you just ordered a new valve body from Volkswagen for about \$700, because there were no methods to test, nor were there techniques or parts available to repair or rebuild them. Fortunately, now I'm equipped to vacuum test for wear and to repair these by boring oversize, and installing new valves.

This auto-repair is owned and dominated by high skilled Lebanese personals. They offer excellent output at cheaper prices than the original wakala. they even have their own paint producing machine. I repaired my 2011 VW Jetta there multiple times and the average cost was around 18,000 SR vastly covered by my insurance provider.
