"Review of "War Damage in Western Europe: The Destruction ...

The year 1945 marked the end of the worst military conflict in history, which brought unprecedented destruction and loss of life. However, the quarter-century that followed is known as the most remarkable period of economic growth and social progress in Europe. This column, part of a Vox debate on WWII, lays out three factors that made this paradox possible: the strong foundations of economic recovery in Western Europe, vital

was operationally responsible for all Allied land forces in the Mediterranean theatre and it planned and led the invasion of Sicily in July 1943, followed in September by the invasion of the Italian ...

Italian campaign (World War II) - Wikipedia

War was increasingly mechanized from 1914 and produced casualties even when nothing important was happening. On even a quiet day on the Western Front, many hundreds of Allied and German soldiers died. The heaviest loss of life for a single day occurred on July 1, 1916, during the Battle of the Somme, when the British Army suffered 57,470 casualties.

World War I - Killed, wounded, and missing | Britannica

From 1914-1918, Europe experienced destruction on a vast and unprecedented scale. The battles of the Western Front, involving millions of explosive shells and devastatingly ferocious machine

died because of deliberate genocide, massacres, mass-bombings, disease, and starvation.

Casualties of World War II | History of Western ...

The capacity for destruction had been so much greater than in the earlier war that much of Europe and Asia lay in ruins. And this time civilians had been the target as much as the military.

Rebuilding the world after the second world war | Second

...

After World War II much of Europe was destroyed. Armies from both sides had bombed roads, bridges, supplies, and communication facilities throughout Europe. Europe needed to rebuild. This was not easy however. Many governments were in debt or out of money because they had used all their resources in fighting the war.
