lands of the Empire from the grim Orc-infested Dark Lands. To the south lie the Black Mountains through which is cut the heavily fortified Black Fire Pass that protects the southern approaches to the Empire. The Grey Mountains to the west form the political boundary between the Empire and the kingdom of Bretonnia. The lands of the

The Empire in Flames - Høng-Crewet

Empire in Flames is a hefty hardcover, coming in at 148 pages. It is strangely smaller than the other volumes in the series, which I believe were A4 size. The pages here are 8"x11". That's a small point; it says something unflattering about me that series inconsistencies like that bug me so much.

The Empire of Man, or simply the Empire, is an electoral monarchy composed of feudal states that is the largest and most important of the kingdoms of Man in the Old World. It was forged by the warrior-king and ascended deity Sigmar from the primitive tribes of Human barbarians who inhabited what became the lands of the southern Empire more than 2500 years ago. Although not as skilled in ...
