Watercolour Wisdom Painting Technique Tips and Exercises ...

A flat wash makes up a majority of watercolor painting; it's such a basic technique that you don't even realize you're doing it. Simply dip your brush in water and paint and then spread it over your intended surface. (This is called a wash.)

11 Easy Watercolor Techniques that Every Painter Needs to Know

Just dip the papers in a bath of water and let the paper get wet as evenly as possible. After that, just stretch it out and stick it on a hardboard like plywood. Use tape at the edges of the paper to adhere it to the plywood or your material of choice. Paint with the paper still attached to the board.

12 Must-Know Watercolor Tips for Beginners & Pros ...

Using a wet pencil on a wet surface causes the colors to run, much like the watercolor painting technique. The lines you draw will look fuzzy and spread across the page. However, unlike with painting, you'll see more pigment fragments. This technique produces a lot of texture and very bold color. Technique 5: Add Detail to a Watercolor Painting

5 Watercolor Pencil Techniques for Beginners (That Pros ...

The other easy watercolor technique to create texture using a paintbrush is called dry brushing, or the "dry-on-dry" technique. This is as simple as wiping off most of the paint in your brush on a rag before brushing it over your paper.

Tips and Techniques for Advanced Artists - Fine

A general rule of thumb is to always keep A LOT of water on hand and a palette for mixing paints. Use the palette to mix your colors and add the appropriate amount of water. Check the color saturation on a scratch piece of paper to see if more color or more water needs to be added before painting on your piece.

7 Watercolor Tips for Beginners - Strathmore Artist Papers

Exclusive interview with Master of Watercolor: John Salminen. Every time I look at John Salminen's work, I simply get happy. I spend several moments studying each painting — taking in the colors, the compositions, the narratives, the forms — and this visual absorption just buoys up my spirits.

Contemporary Watercolor Artist John Salminen Shares Hard ...

When painting water, Evansen is careful to paint from observation, not formula. He generally uses a slightly darker version of the sky color for the whole body of water. (Water tends to be lighter at the horizon and darker in the foreground, but conditions can vary.) "When the wash is still damp, I use a small brush and a darker version of the same color to create the shadow of the waves," the artist explains.
