Having a traumatic experience as a youth in particular is a motivating factor in deciding to become a terrorist — and terrorist recruiters recognize this. "The personal pathway model suggests that terrorists came from a selected, at risk population, who have suffered from early damage to their self-esteem," said psychologist Eric D. Shaw in a 1986 paper.

## **5 Reasons Why Young People Become Terrorists**

Loosely defined, terrorism is the use of violence to further a political or ideological goal at the expense of the general population. Terrorism can take multiple forms and have many causes, often more than one. An attack can be rooted in religious, social, or political conflicts such as when one community is oppressed by another.
