notice that shorter sentences sound way more natural.

Sentences shouldn't be too long or you sound like you're droning on, taking emphasis away from your point. I've found sentences of 20-25 words to be the max length most sentences should be, unless it's a list.

A great sentence verbalizes ideas clearly and efficiently, establishing effective communication through writing. The content of a sentence and how it's structured determines if it's good—but a complex sentence doesn't necessarily mean it's well-written, and a short sentence can say just as much as a long one.
